

Dear Friend of Atherton,

The Atherton High School Alumni Association (AHSAA) is continuing our Annual Campaign Drive and we need your help. Atherton was rated in US News & World Report as the 7<sup>th</sup> best high school in Kentucky and 706<sup>th</sup> out of over 19,400 public high schools in America.

We want to expand the opportunities for you to help Atherton, so here are several ways to help.

Donations – We have set a goal to double what we did last year and we’ve already begun to receive pledges.

Currently, the AHSAA has provided much needed scholarships and other donations to the students to help Atherton be the best high school. We are continuing this campaign to raise needed money to help the students and the school. If you would like to donate financially to help Atherton provide scholarships for students to continue their education in college, please fill out the enclosed form.

Volunteer – We have had 6 new alumnae join our Hall of Fame Committee this year. These alumni are from the 1980’s, 1990’s and 2000, so hopefully they will be leading our Alumni Association in the near future. Previously, most of our Board and Committee members were from the 1960’s and 1970’s and we really needed some people to step forward. If we are to continue to grow and improve, we need to get new people and new ideas...so if you’re interested in being a part of our Board of Directors, Hall of Fame Committee or other opportunities, please fill out the enclosed form with your contact information.

Research – this is something you can do from home or from Atherton. We are constantly trying to reconnect alumnae to Atherton. Either researching from the Internet or coming to Atherton to go through yearbooks and make connections through friends, helps us to grow our reach to help Atherton. From this research, we are able to locate Hall of Fame candidates, mentoring opportunities for students and other opportunities. If you like reconnecting with friends from Atherton or have a desire to use technology as a tool to find people, please fill out the enclosed form

Reunions – We are an all-volunteer organization and we get calls all year long requesting assistance with class reunions. If you would like to help make connections for reunions, please fill out the enclosed form.

The worthwhile work that has helped so many individuals at Atherton needs to expand. Our energy for continuing this work is strong- we are filled with ideas for enhancing our existing programs and constantly looking for our “next step” to enrich the lives of students and alumni of Atherton. Our campaign is going well we have big plans for next year and the years to come.

Your generosity has brought us such a great distance since our beginning in 2000-will you please consider helping our school serve Atherton and the students who gain so much from our programs? We are strong because of your support-we are looking to the future with big dreams for everyone who has been touched by Atherton-your help plays a part in our ability to make a difference in their lives.

Sincerely,

The AAA Board
