### Atherton's Rebel History

With the recent media attention on rebel mascots across our nation, I wanted to share with you some historical information retrieved from our school archives:

*Prior to 1950, Atherton High student body was female only. The formation of a field hockey team was opposed by Emma Woerner, the principal (from 1923-1955). When the team was finally formed, the name **Rebels** was chosen because of the previous opposition.*

*In 1950 the school became coeducational. All of the athletic teams subsequently formed were known as **Rebels**. The school colors were **Mulberry and Gold**.*

*By 1969 the student body had become desegregated. **Rebels** remained the team name and the Confederate Flag was used to substantiate the Rebel cause. Minority students objected vehemently.*

*By 1971 confrontation status had been reached. An apparent compromise eased the situation. A caricature of a **Revolutionary Rebel** became the school symbol. The use of the confederate flag was abolished. The school colors became **Maroon and Gold**.*

- From “Atherton Historical Notes – School Symbol” (February, 1985) by Dawson Orman, former Atherton principal (1972-1974), Bill Walsh, Atherton newspaper sponsor, and Tom Owen, former student and Atherton PTA president.

### **YOUR school needs YOUR support- Join the Atherton PTSO at registration**

At registration, all students and parents will have the opportunity to join the **Atherton Parent Teacher Student Organization (PTSO)** for \$10 dollars each or \$20 for family membership (check made to *Atherton PTSO*). A strong PTSO is vital to the success of our school. Our PTSO works diligently to serve our school, staff, and students. They also provide a venue for staff and student appreciation during registration, open houses, parent-teacher conferences, holidays and special events. The Atherton PTSO awards scholarships to deserving seniors each year. We need the support of the every parent, student, and staff for the PTSO to remain strong. Please be sure to join and support the students and staff of our school. The PTSO also provide an Atherton Spirit Cup for each membership and three cups for a family membership!

### **School Testing**

Atherton students have performed phenomenally on all state testing. Our staff direct learning activities around critical thinking skills every day and they assess students to demonstrate mastery of subject content; this higher-level learning approach has transferred effectively into success on standardized tests that are used for accountability. Our school results from last year are not yet finalized, but the predictor data are that we are expected to set another year of unprecedented results from our kids! School results will certainly be communicated as they become available.

### **Cell Phone Policy**

In keeping up with this current state of digital devices, the Atherton SBDM Council, Atherton PTSO and the Principal's Advisory Committee revised Atherton's **Cell Phone Policy** to encourage the appropriate and responsible use of cell phones. Please be aware of our rules on this issue and support your child's adherence to the reasonable limitations of use of electronic devices:

#### **Before/After School:**

Students may use cell phones and headphones/earbuds before 7:40am and after 2:20pm.

#### **During School:**

Students may access cell phones without headphones/earbuds during the instructional day in **common areas such as the hallway, cafeteria and courtyard.**

Students may not access cell phones in class unless authorized by the teacher for instructional purposes.

### **Parent Leaders: Consider the SBDM or PTSO**

During all registrations, the PTSO will conduct parent elections for two parent-representative vacancies on the **Atherton School Based Decision Making (SBDM) Council**. Voting will take place at the school during the registration process. You should have already received a letter in our summer mailing from the PTSO describing the nomination process. SBDM parent nominations are due back to the school received/postmarked no later than **August 1**. I encourage any of our parents to nominate yourself or other parents who wish to take an active role at Atherton through participation in the PTSO and/or serving on the SBDM Council; both groups officially meet only once per month.

### **Make Your Mark on Campus: School Wide Beautification Days**

On Wednesday, August 5 and Tuesday, August 11, 2015 (the day before school starts) we will hold a school wide beautification/clean up day. Everyone is invited to participate. Please wear gloves and bring lawn mowers, weed eaters, rakes, flat-head shovels, tree trimmers...anything you can think of to help spruce up our beautiful campus. On both days the work party will start at 6:00 pm and end at dark. We will meet in the student parking lot. If you cannot attend on these dates, feel free to take an hour that works for you and help by pulling weeds from our sidewalks, picking up sticks from around campus (you pile it up and we'll dispose of it) or weed-eating around fencing.

# FALL NEWS

## **Atherton Athletic News** From the Athletic Director

Great things are happening with Rebel athletics!!!

\*Fall sports tryouts for boys and girls cross country, field hockey, football, boys' and girls' golf, boys' and girls' soccer and volleyball will begin on **July 15**. Any student interested in trying out must have a current Sports Physical Packet on file with the Athletic Director. You can find copies of the packet on our website or you can pick one up in the front office. There is also a \$5.00 insurance fee that must be paid prior to tryouts and an additional \$15.00 if the student makes the team. **It is very important that you have all of your paperwork turned in and you attend tryouts on the first day. E-mail the coach immediately if you have any questions.** Attached is a listing of our coaches.

\*Adult and student athletic season passes will be sold at all student registrations. The pass allows entrance to all fall, winter, and spring home sporting events (freshman, JV, and/or varsity). The student pass also gets the student in to both the football and basketball homecoming dances. An adult pass is only \$50.00 and a student pass is \$40.00. What a deal!!!

\*Dates to remember:

**July 29, 2015:** *Female Athlete Seminar* hosted by Baptist Health at 6:00 pm at Baptist Health Eastpoint. See attached flyer. I highly recommend that female athletes and parents of female athletes attend this session. We would also like to thank Baptist Health for providing Atherton with a full time athletic trainer.

**August 7, 8, 9, and 10, 2015:** *Fall athlete parent meeting with the AD.* At least one parent of any student participating in a fall sport must attend one of the sessions. Sessions will be held on Friday, August 7 from 6 pm to 7:30 pm, Saturday, August 8 from 10 am to 11:30 am, Sunday, August 9 from 2 pm to 3:30 pm, and Monday, August 10 from 6 pm to 7:30 pm. Meetings will be held in the large auditorium or large gym.

**August 10, 11, and 12, 2015:** *Atherton High School Athletics Days at Buckhead and Rocky's* in Gardiner Lane Shopping Center. Just present one of the attached fliers to your server and Atherton Athletics will receive 20% of your check. Please make copies and distribute to your family members, neighbors, co-workers, friends, etc. This includes carry out! Plan to visit Buckhead or Rocky's on all three days. This is an extremely easy way to raise money for the athletic department.

***Think, act, and play like an athlete. It's great to be a Rebel!!!***

### **Host a child from Japan for ten days!**

Thank you for the great support for offers to host some of the Japanese students from our sister school in Japan. We are still looking for hosts for three female students. They will be coming to Louisville on August 21 and departing on August 30. The students would need airport transport, meals, and their own bed to sleep in for the time they are with us. It is a pretty low-key trip, but a fantastic one for each person involved in the experience. If you are interested in hosting, please send Michael Kluemper (the new Japanese teacher at Atherton) an email at [michael.kluemper@jefferson.kyschools.us](mailto:michael.kluemper@jefferson.kyschools.us).

### **Make a world of difference in the life of your teen: Host a foreign exchange student!**

EF High School Exchange Year needs your help! We are searching for hosts for our remaining exchange students from Europe and Asia, who want to come right now and spend their school year with you in Kentucky. Hosts need to be 25 or older, but they can be single or couples, with or without children. They commit to room and board only, as students come with their own insurance and spending money. As their coordinator, I, Sally Crespo, maintain their placement all year, helping with initial paperwork, securing their school slot, and helping with any issues that come up.

We have students like Alpay from Germany who is a great basketball player, and Jui Yun from Taiwan who is on the dance team at her school, or Jun from Korea who loves soccer, and Beatrice from Spain who plays the saxophone. Could you be their host? Please contact Sally at 502-593-0318, or [sunbeam916@yahoo.com](mailto:sunbeam916@yahoo.com). But hurry! We need to book their flight now!

## **Suicide Prevention Awareness**

I'd like to inform you that during the first weeks of school we will be conducting a lesson with all students about suicide prevention. This lesson will include a video presentation and a teacher-led discussion. Students will be asked to complete a short form to indicate whether they would like to talk to an adult about a concern for themselves or someone else. We will have our guidance counselors and additional trained professionals available to meet individually with any students who express a need for such support. If any significant concerns arise with your child, we will contact you immediately.

In accordance to state law, all students in Kentucky middle and high schools must receive information on suicide prevention by September 1 of each school year. If your child is absent on the day we are conducting our lesson, a makeup lesson will be provided upon his/her return. All of the suicide prevention programs we use have been thoroughly researched and carefully selected. Staff members in our school are also provided with training annually, so that they can properly conduct the lessons and respond to any student needs that may arise. If you have questions or concerns about this topic, or would like further information, please contact your child's counselor.

## **Atherton's Education Program**

The Education Career Academy celebrated the first year of being affiliated with the Family, Career, and Community Leaders of America co-curricular organization. Four outstanding officers (from left: Jacquelyn Turner, Alysa Forden, Megan Miller, and Danielle Abernathy) were selected to attend FCCLA Leadership Camp in Hardinsburg, KY. The students networked with hundreds of members and advisors across the state while developing skills that will prepare them to fulfill their duties as chapter officers and to seek regional and state offices in the future. We are so proud of their hard work and dedication!

## **TWOFOUR Broadcast Company**

Last year, Atherton was considered for participation in an TV documentary project. We have been notified that Atherton was not chosen from the three national finalists, but we are honored to have progressed so far in the selection process and still may be considered in the future. **TwoFour Broadcast**, a production company that has won an international Emmy for its hit series *Educating Yorkshire*, has been asked by a United States television company to look for schools in the US that might be interested in participating. The ambition of this series is to produce a collection of warm, honest and important documentary programs which will capture the experiences of both staff and a diverse range of students. They hope that these will be optimistic and celebratory films which sensitively explore the human relationships that lie at the heart of school life. Look for this documentary series to come out some time this school year!

## **Class Officer Elections**

Information was brought to the attention of the Atherton administration concerning the end-of-year class officer elections. The investigation into these claims has confirmed that there were mistakes made in decision-making by the school administration. These mistakes include the procedure of assuring student representation, ballot handling and ballot tabulation.

Current ballots for the freshman slates reflect that only 123 of the current 403 freshman voted, leaving a majority of our 9<sup>th</sup> grade students under represented. The sophomore and junior classes had adequate numbers of students participating in voting; however the ballot handling and tabulation procedures were not appropriately conducted.

Although no accusations of misconduct have been brought forth, the incorrect implementation of ballot-handling procedures does result in significant concerns of the election's validity.

Therefore, in an effort to ensure the student body's voice is heard and to preserve the integrity of student leadership and class unity, we have decided to nullify the election results announced on Thursday, June 4<sup>th</sup>, due to the school administration's error. Class officer elections will now be held during the first month of school, beginning next year as well as for future years. Class officer slates for all grade levels will be arranged, managed and handed directly to an administrator for secure tabulation. Slates for all grade levels will have to be approved again prior to the September elections.

The election of class officers is taken seriously and it is our hope that all students will participate in this democratic process. The decision to redo this election did not come easily. Our intent is to provide accurate and unquestionable election results with safe guards that were not previously in place.

Last year, students accepted into this program with an ACT of 28 were automatically accepted with **full paid tuition** to the University of Kentucky and the University of Louisville! **Atherton has averaged about 5 Governor's Scholars every year since 2000!** Governor's Scholars are students with strong academic achievements who demonstrate leadership, citizenship and volunteerism. The program application process is open to **juniors** every

November, **but all underclassmen can begin building the experiences NOW** for an attractive application! ## **PREPARE FOR THE ACT AND EOC EXAMS**

**TCA for the ACT** - To assist students in preparing for the ACT and the End-of-Course (E.O.C.) exams, Atherton has purchased the Triumph College Admissions (TCA) program for all students as a method to support student academic achievement and growth. Every year, all juniors and sophomores complete a practice ACT assessment and freshmen take the practice PLAN (pre-ACT) assessment. Students will continue to have access to this program through the end of their senior year. These results have been sent to TCA and the data will help each student individually identify areas of strength and growth before they take the ACT. Each year, the practice ACT is a different version than the one used in the previous year for this annual Atherton event so your child is continuing to be exposed to opportunities to grow academically and work specifically on "critical skills" as determined by the achievement on these practice tests.

Every student can use their student identification number from school (you can find this on any report card, on IC Portal, or students can get this in the library) as their personal login name and password to the TCA web-based program. Students are encouraged to practice academic skills at home, before or after school, and teachers may use this program to target specific Quality Core academic standards as a supplement to their current instruction. With as little as ten hours of individualized instruction on the TCA program,

students may ACT see gains of three (3) points or greater! We recommend a simple of commitment of just one hour per week to unlock your child's fullest potential.

The link to Atherton's TCA program is available via our website and can also be accessed by the link

[https://www.tcaprep.com/php2/login.php?school\\_code=1628136359](https://www.tcaprep.com/php2/login.php?school_code=1628136359)

Again, each student's login username and password will both be the student's "school identification number" which can be obtained in the library and can also be found directly under the student's name when you log into Infinite Campus portal.

The Atherton school library is available from 7:00am - 3:30pm to help students access TCA.

### **Free ACT Preparation Classes through the Louisville Free Public Library!**

In addition to the more personalized TCA program offered through the school, I hope you take advantage of these opportunities through the Louisville Free Public Library ([www.lfpl.org](http://www.lfpl.org)). ### **You can nominate the next Atherton Hall of Fame recipient!**

About ten years ago, a small alumni group gathering at Atherton High school had the vision of honoring Atherton alumni who have contributed to our community and our country. Through this vision, politicians, authors, teachers, university presidents, doctors, financiers, a brigadier general, entrepreneurs and more have been welcomed home to Atherton High School and inducted into the Atherton Alumni Association Hall of Fame. Our list is distinguished, impressive, and inspiring to each of us. It is especially important for the students of Atherton High School to witness this rich legacy. Go to [www.athertonalumni.com](http://www.athertonalumni.com) to learn more and to nominate our prestigious alumni!

### **Parent Portal – Attendance, Grades, Progress Reports & Unofficial Transcripts**

Progress reports are given to students to take home every six weeks. You may also monitor the progress of your child using the Infinite Campus Parent Portal. Access your child's class schedule, grades, progress reports and attendance.

<http://www.jefferson.k12.ky.us/Parent/ParentPortal/index2.html>

### **Parent Resources at *Operation: Parent***

Atherton encourages parents to review this valuable parenting resource. **Operation: PARENT**, based in Kentucky, is a non-profit, parent-driven organization that provides classes, speaker events, a wonderful Parent Handbook, drug testing kits and more for parents of elementary, middle and high school students. *Operation: PARENT* addresses all the tough issues that affect our families every day. Issues like alcohol, drugs, social media, bullying, suicide and violence. Visit [www.operationparent.org](http://www.operationparent.org) for access to everything they offer, including classes, events, an educational monthly e-newsletter and more.

### **From the Attendance Office**

If your child is absent or tardy to school, please call the office at 485-8598 to notify the school.

**When your child returns to school**, please send her/him with a note that includes:

- Child's FIRST and LAST Name
- Grade
- Date of absence/tardy
- REASON for absence/tardy
- Parent/Guardian best contact number (home/cell/work)
- Parent/Guardian signature.

This information is necessary when we receive our regular attendance audits. If your child is absent more than two consecutive days, please also provide a copy of a physician's statement for the reason of absence. Students absent ten or more days will be required to submit a physician's statement for every absence thereafter to excuse further absences.

**Check your child's tardies and absences under the Attendance tab on the left side of Infinite Campus Parent Portal. Any unexcused events should be rectified immediately. Remind your child to turn in any notes that you give her/him to first period teacher.**

Thank you so much for helping us maintain high standards in all areas of our school!

### **District Attendance Policy**

In accordance with district policy, if a student is **absent 10 or more times** the school will require a doctor's note to excuse any further absence. A student with an ongoing illness may request an exemption with doctor's approval. Please remember this every time you are absent also if you have more than 9 unexcused absences and you are 16 or 17 you will not be able to get or keep your driver's permit.
